Subject: Chat with Andrew Stein
From: Andrew Stein <steinlink@gmail.com>
To: barriticus@gmail.com

Andrew: hey
me: yessir
Andrew: check this out
Andrew: http://tech.slashdot.org/story/10/02/10/0014246/Google-Buzz-mdash-First-Reactions
Andrew: The problem, however, will be the increasing backlash Google is seeing from the general public over how much data the company already controls on their online habits."
Andrew: awesome
Andrew: distributed is the future
Andrew: read the comments too - the first 10 or so are all tech professionals vowing to move their data off of google
